

Lincoln-Lancaster County Health Department Alternative Training Form

Alternative Training is one option to fulfill the operator and staff health and safety training requirements of Lincoln Municipal Code 8.14. The alternative training can be completed through a variety of resources. Contact 441-8026 if you are unsure if the alternative training will meet criteria for approval. Operator or staff completing the alternative training option must complete this form and keep a copy of it on file at the child care facility.

(Please Print)

Staff Name _____ Date Completed _____

Agency Providing Training or Material Borrowed From _____

Title of Training _____

Type of Resource (Check one):

- | | | |
|--------------------------|---------------------|---------------------------|
| <input type="checkbox"/> | Training/In-Service | Length (minutes) _____ |
| <input type="checkbox"/> | On-line Training | Length (minutes) _____ |
| <input type="checkbox"/> | Videotape/DVD | Length (minutes) _____ |
| <input type="checkbox"/> | Audio Cassette | Length (minutes) _____ |
| <input type="checkbox"/> | Book | Length (pages read) _____ |
| <input type="checkbox"/> | Article | Length (pages read) _____ |

50 pages of reading materials equals one hour of training. Training, in-service, video, DVD and audio equal the actual number of minutes/hours.

Check all the health and safety practices the material covered:

Cleanliness: ___hand washing ___diapering ___food safety ___cleaning ___sanitizing and disinfecting

Illness Prevention: ___illness prevention ___illness exclusion ___mildly ill care ___medicine administration

Safety: ___injury prevention ___toy safety ___supervision

What did you learn from this material that will help you provide a healthy and safe environment for the children, families and staff at your facility?

Explain 3 concepts that you plan to share with others or use in the child care setting.
